Hi Valerie--

Comments on Draft project agreement 35:

- Section 2, part c: complete by January 1, 2003--I don't think so. I would go for May 1.
- I think the word "test" is missing from the 2nd bullet under Attachment A

Other than those two comments, looks fine to me. You need Shixia's feedback on the LLOQs; if you ned it before Wednesday, let me know and I will call him.

Hope all is well. . .

-Robin

Robin and Shixia -
Please review the revised version and let me know if it is correct. If so, I can then forward on for preparation of the project agreement.

Thanks,
Valerie

Valerie,

Attached you will find the amended Project Agreement 35 which includes the requested changes as per Robin Kinser and Shixia Feng.

(See attached file: Work Order TAC.doc)

Also, in response to you request to have more scrutiny over the assignment of Project Agreement numbers, I have no problem with Philip Morris assigning the Project Agreement number after my submission of the document. There may be some concerns with the clinic that I am unaware of. Kim Prchal and Megan McCrory may have further insight on that process.

Best regards,
